HOW WILL YOU USE THE KNOWLEDGE YOU GAINED ON THIS YOUTH EXCHANGE IN THE FUTURE?

- For my organization
- I will share the experience among my peers and will participate in another webinar.
- I will share my experience through publications on the Internet.
- I hope I will be able to apply all my background in my career and personal life.
- I will be confident in public speaking
- I can use these knowledges in studying and working
- I will share information with my friends and in social media
- I want to organize socio-psychological trainings in Ukraine
- I'm student so these knowledges are really useful for my classes. I hope I will share this experience with my classmates and teachers
- I really liked activities. Games were interesting and with deep sense. I will use new activities in my projects and youth work.
- At my University
- It will definitely help me to communicate with others. While teaching kids will understand them better, definitely would be easier for me to socialize and understand the needs of others
- I'll talk about project to all my friends and students (I'm teacher)
- I want to organize at my university "LARP"

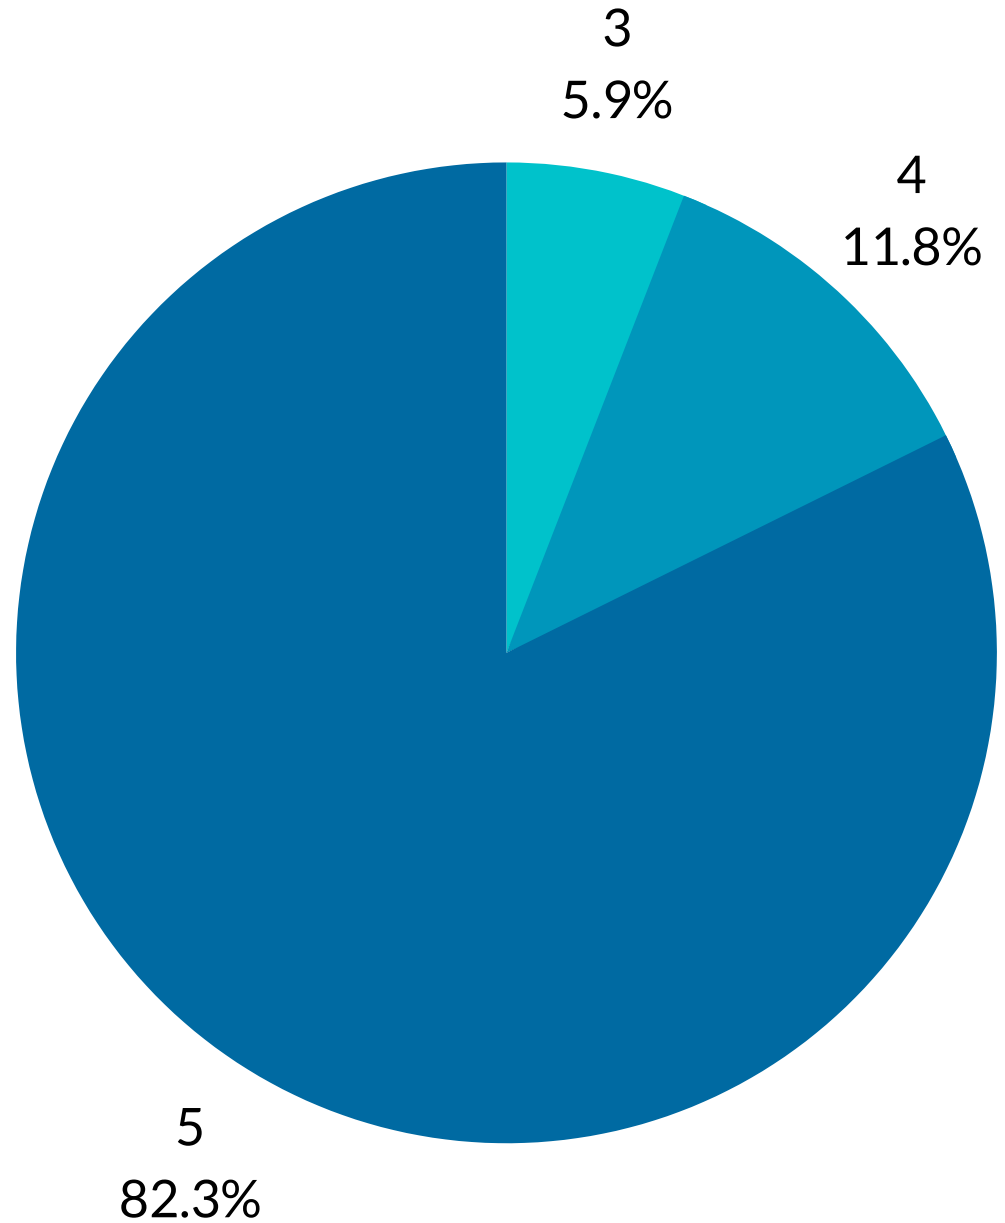

- I want to organize at my university “LARP”
- As for the startup, I plan to organize a tour for students to the village of Slavske, Lviv region on 10-12.12.21 and organize a three-day marathon with the disclosure of conflict management problems, their consequences at the personal, professional, local and international levels. I plan to be a speaker and involve a familiar psychologist for the trip, new unknown locations will also open for travel and active recreation.
- In my future youth exchange
- The experience I gained is really invaluable. I am sure that it will help me in my studies and work, as my specialty is foreign languages and intercultural communication.

ADDITIONAL COMMENTS

- I really would like to see much more active guys from the Polish side.
- Due to the fact that the participants were of different ages, it was difficult to find common interests at first. It would be better if in the next projects the age was approximately the same or not in such a wide range.
- Thanks for all!
- Thank you for this project and your great work. I hope we would have more time for the theatre game and more time for Lublin. You're amazing
- Thank you for such warm and active project! See you♥
- It was wonderful
- Thank you!
